Is there anything you'd like your therapist to know before starting the massage?

_____

Because a Massage Therapist must be aware of any existing physical conditions that I may have, I have listed all my known medical conditions and physical limitations and I will inform my massage therapist of any changes in my physical health.

I understand and agree that: (1) the massage therapy that I am given is for the purpose of stress reduction, relief for muscular tension or spasm and/ or for improving circulation: (2) that a massage therapist neither diagnoses illness, disease or any other medical, physical or mental disorder, nor performs any spinal manipulations: (3) I am responsible for consulting a qualified physician for any physical ailments that I may have. I am fully aware of the risks involved and hazards connected with skin care treatments, and I voluntarily assume full responsibility for any risks of loss, property damage, or personal injury, that may be sustained by me, or any loss or damage to property owned by me as a result of being engaged in such an activity, whether caused by the negligence or otherwise.
